We sincerely apologize for the slight delay in the delivery of your dernier cri shirt, however, as you are well aware there were major shortages under our Commodore's watch.

As a direct and proximate result of this apparent impropriety, we have launched an extensive and complete internal and external audit of any and all activities of our Commodore during his command regarding this mihos.

At this same time we have stepped up security and hired Cash and Kerry to be our interim Quartermaster and fix the problem. However, our audit was severely hampered by the services of our interim Quartermaster and staff of 58 varieties of close friends and relatives, all of whom are no longer with us and for the record > there were no severance packages given upon there firing ~ just the foote.

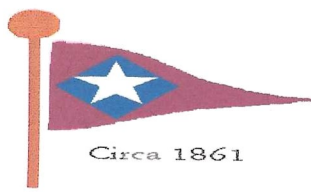

After their departure with the misguidance of ARTHUR ANDERSINS, C.P.A.'s, we devald into the investigation and it is with great pleasure that we are now able to advise that there were no shortages and all is well, more or less.

The honesty, integrity and impeccable reputation of our Commodore remains some what completely in tact and untarnished although slightly scarred.

The problem to be perfectly clear was just a complete lack of oversight where [You Know Who] had advertently misread the shipping manifests and stored the shirts in the freezer chest and lobster tanks. Thank you for your patience and understanding.

ADMONITION

It is the written and unwritten policy of the Oysterville Yacht Club not to discuss the Oysterville Yacht Club in any manner with anyone other than Oysterville Yacht Club member and/or members.

As I am sure you realize your Oysterville Yacht Club membership is truly your most cherished and precious possession.

This NON-DISCLOSURE provision is clearly documented in the Hallowed Scrolls under Article 1861, section 8660318320. 006434, paragraphs 780-1895, sub-paragraphs 9932-1242338, a.....ynot.....

It is the judicature of the Oysterville Yacht Club not to make known its' quixotic or any of its' lore with any of the proliferation of Wannabes that have not yet been tapped to be amongst the " Chosen ".

If you are asked about the Oysterville Yacht Club, you may in accordance with sub-paragraph 9999999 provide only the following:

NAME / RANK / SERIAL NUMBER / LOCUS

NAME: being you are a member of the Oysterville Yacht Club

RANK being you are a candidate for Commodore

SERIAL NUMBER being your four [4] digit number

LOCUS being Latitude N 41* 36.90' ~ Longitude W 070* 24.03'

JUST IN CASE YOU GET LOST

SANCTIONS for violation of this NON-DISCLOSURE are detailed in the Hallowed Scrolls under Article 1862, section 55, paragraphs 239-769, sub-paragraphs 4765-67 which let me be perfectly clear states in essence to be a chastening akin to walking the plank for which there is absolutely no possibility of diminution or mitigation.

RACE COMMITTEE MEMO

We were yet again very fortunate to enjoy outstanding support from all of our members who provided their yachts, kayaks and paddle boards as committee boats, as well as, functioning as signal, mark, judge, spectator and of the most significant importance as paaahteeeeeee boats.

All event information including notices, race scheduling information, entry forms, trial races, team rankings, sailing instructions will be posted on the Oysterville Yacht Club web site, as soon as, available and will surely appear there before a hard copy is printed and available or even posted.

Once again the Commodore's 'BANKS' Regatta is open to all yachts with a LWL of 12 metres, more or less or whatever

All PHRF yachts must obtain both IMS and AMERIVAP III certificates along with ISAF Category 5 compliance.

We have again overwhelmingly chosen the majestic Cayman Islands for the biennial spring AC45 Kat Regatta.

The choice was based solely upon the request of member(s) like yourself who have expressed a recondite carnality to visit their cabbage {money} and bien sur sashay da Seven Mile Beach.

SPONSOR WANNABE FOR MEMBERSHIP

As a truly altruistic member in good standing at least as of this date and moment in time who is about to cross the Rubicon in a coup d'etat or at least a major faux pas.

And acting upon information and disbelief that you are according to the latest rumor presumably the indisputable leading aphoristic axiomatic optimistic poignant Candidate for Commodore next year indisputably without question.

So you are now truly privileged to be able sponsor with intrepidation a truly arguably exemplary candidate to be tapped for membership, although your sponsorship is clearly for your own egotistical bizarre selfish gratification.
